EMPLOYEES MUST WEAR FACE COVERINGS

Employees must wear face coverings if the work entails close proximity to the public or co-workers. Civil or criminal penalty will not be imposed for failure to wear a face covering.

Cloth face coverings should:

- Cover nose and mouth
- Fit snugly but comfortably against the side of the face
- Be secured with ties or ear loops
- Include multiple layers of fabric
- Allow for breathing without restriction
- Be able to be laundered and machine dried without damage or change to shape

Face coverings are <u>not</u> a replacement for social distancing, frequent handwashing, and self-isolation when sick.

Infants and people with health conditions that may make breathing difficult should not wear masks, but should take precautions to socially distance from others.
