Participant Enrollment

1. # of applicants who have been placed with an employer

- 15 individuals have begun participating in an OTJ Training Program with Workforce Solutions Alamo. Alamo Colleges District is currently working with HOLT CAT to connect some participants as well.

Wraparound Support Services

1. Current Case Management Participant Ratios (Update available after August 1st)

- Each Train for Jobs SA participant receives case management for their duration in the program. Case management services include, but are not limited to assistance with goal setting, identification of career pathways, referrals to supportive services, and job readiness coaching. Current case management participant ratios for participating agencies (as provided by partners) are:

Agency	Participants Per Case Manager
Alamo Colleges District	75 - 100
Chrysalis Ministries	50
Family Service	65
Project Quest	120
Restore Education	80
Workforce Solutions Alamo	71

2. Types of issues/obstacles participants are experiencing

- Train for Jobs SA partner agencies document these barriers during intake and refer participants to resources either within their own organization or externally.
- The most common issues that participants request assistance with upon joining the program are:
 - Trouble paying rent, mortgage, and utility bills
 - Childcare
- Some less common requests include financial assistance for the following:
 - Textbooks
 - Work uniforms
 - Tools needed for skilled trades programs
 - Transportation
 - Food

Employment

1. # and % of participants who have been connected to employment

- Out of those that successfully completed their training, 211, or 28.63% have gained employment. An additional 127 individuals were connected to employment through TfJSA without attending a formal training program, but rather received case management or wrap-around services to gain employment. In total, 338 individuals that have participated in the TfJSA program are now employed.

2. Breakdown of employment by industry/ employer

- The following table provides a breakdown of the industries that participants have been placed in after participating in the TfJSA Program:

Industry	Count	%
Business	64	18.93%
IT	14	4.14%
Manufacturing & Logistics	38	11.24%
Medical	97	28.70%
Trades	48	14.20%
Other	73	21.60%
Pending Partner Data Entry	4	1.18%
Total:	338	100.00%

Top 10 Employers	Count
Methodist Hospital	31
JR Ramon Demolition	19
Toyotetsu Texas, Inc	10
Conduent State & Local Solutions	9
HEB	7
TaskUs USA LLC	5
University Health System	4
Stevens and Sons	4
Amazon	4
Cruising Kitchens LLC	4

3. Median wage across employed participants

- The median wage for all individuals placed in a job through the TfJSA program is \$13.86/hour.
- All individuals are placed in career paths that have the potential for at least \$15/hour wages in the near future.

4. # of participants earning at least \$15 per hour and higher

- 139 individuals are earning at least \$15/hour in their job placement.
