February 2023 Financial Report

City of San Antonio

Variance Explanations

1 The favorable variance is due to additional interest earned from January through February 2023.

The FEMA revenue variance is due to the Regional Infusion Center (RIC), which was planned to run through December 2022 but closed early in August 2022. FEMA reimbursements include expenses for non-congregate sheltering, rental costs for the RIC, COVID-19 testing at the BCFS Test &

² Treat Center, and overtime at the Alamodome. Actuals reflect \$17.9M, which excludes the City's 10% match. The City has invoiced FEMA \$17.9M and has received \$202K with \$17.7M outstanding.

³ The Public Safety-Byrne JAG grant ended January 31, 2023. It is anticipated that the City will receive an additional \$59K in reimbursements. Thereafter, the program will be closed.

4 Of the favorable variance, \$822K is due to the FEMA – Regional Infusion Center closing sooner than anticipated.
