

CUSTOMERS MUST WEAR FACE COVERINGS

All people 10 years and older must wear a face covering when in a business or other facility where it is difficult to keep six feet away from other people.

Cloth face coverings should:

- Cover nose and mouth
- Fit snugly but comfortably against the side of the face
- Be secured with ties or ear loops
- Include multiple layers of fabric
- Allow for breathing without restriction
- Be able to be laundered and machine dried without damage or change to shape

Face coverings are not a replacement for social distancing, frequent handwashing, and self-isolation when sick.

Infants and people with health conditions that may make breathing difficult should not wear masks, but should take precautions to socially distance from others.
